

SHALOM TEEN GIRLS' SUMMER CAMP 2024

Shalom Teen Girls' Summer Camp 2024, the highly anticipated event, began on 9th May 2024, 5 PM, commencing from St. Peters School. The journey began as we boarded a comfortable AC bus, making a delightful stop at the 99 km Coffee Stop for dinner before continuing towards our destination. Upon reaching the campsite, @Coonor the following day at 6 AM, a team of 12 girls from Erode, led by Mr. Babu Sudhakar, joined us directly @Coonor. The Sanatorium Camp Centre @Coonor is set in a picturesque location, surrounded by nature. We had a cool and pleasant climate throughout our stay. The girls were filled with excitement as they explored the surroundings and prepared for the program ahead.

The campsite provided great meals, snacks, and tea on time. The girls enjoyed a delightful sleepover with their friends, and the spacious meeting hall served as a perfect setting for our program and various activities. An outing to Sims Park @Coonor and shopping in the evening added to the memorable experiences.

During the camp, the girls experienced a variety of programs including singing, skits, choreography, Bible talks, practical discussions, icebreakers, Q&A sessions and team-building activities. The activities focused on growing in Christ, bonding with peers, and acquiring new skills rooted in God's teachings. The girls were divided into 8 teams, and they had dedicated team leaders to guide them in their small groups.
