

Dr. Gnanam Rajasingh, our dearest aunty, spearheaded the Shalom Teen Girls Camp, with Mrs. Esther Ravichandran as the coordinator. The theme "More than conquerors" from Romans 8:37 set the tone for the camp. Ms. Janet Ebenezer Mary and Mrs. Sweetlyn Baker delivered impactful sessions, incorporating practical examples and engaging methods to convey messages effectively. Teen-centric topics on how to meditate God's Word, conquer emotional challenges, combating social media addiction, handling relationships and friendships, as well as aspects related to outfit and health were covered, emphasizing living a victorious life through God's armor mentioned in Ephesians 6.

The camp climaxed in a touching sandhya session @6:30 pm, featuring worship and choreography, followed by an expressive narrative of the prodigal son and Jesus' sacrifice on the cross to illustrate Christ's love. An altar call led to 41 girls committing their lives to Christ, Girls poured their heart to Christ and had a life-changing experience during the Sandya evening on 11th Saturday. Eventually, the sandhya session progressed with a profound campfire, where girls wrote their decisions on sticky notes and stuck it on a cross-shaped chart. The day concluded with one-on-one meaningful counseling session, addressing individual issues and offered prayers

On Sunday, a Sunday service was solemnly conducted. The group photoshoot was shot in a perfect location. Being the last day, we had an open forum for girls to express their questions and thoughts and offered clarifications. A candlelight commitment ceremony marked the conclusion, with feedback sharing, prayer, and token appreciations for the speakers, volunteers, and winning teams. As the camp came to an end, farewells were bid, the girls gathered and said heartfelt goodbye to the Erode team. Around sunset, the Chennai team departed safely in an AC bus, took a break for dinner

@Mettupalayam, returned to Chennai the following morning at 5 am, bringing an unforgettable experience for all involved. In our camp, we helped the teens to direct their very important decisions to God, live a clean Christian teen living in this fallen world, have a closer relationship with God. We armed them to fight the good fight putting the full armor of God and conquer the race that is set before them. All glory to God for allowing wonderful opportunities to every one present there. It was indeed a blessing.
